“ To the Coston, Henley & Fenn Family and my Coleman Temple Church family. I'am so sorry to hear about your loss of your family member. Words are so few at this time when ones suffer a loss of a love one. All I can say is been there. Only time alone can heal the loss and hurt. Try to see God divine plan and know our love ones are in the present of our Heavenly Father and his Son. There pain and hurts, as well disappointments are over. There dues are paid in full. No one else can judge them, nor hurt them. They are in the safe hands of God. Love you, Sister, Coston. Elder, Peter Cooper, of Dallas-Ft. Worth, Texas.

“ Our prayers go out to the Coston family in the sudden loss of your aunt, daughter, sister, Katrina. I knew Katrina from Carl Gordon. Doria is her Aunt. We had good times and great parties. She enjoyed my music that I played being I'm a DJ and president of Juicy Notes Productions. Her smile and tender love toward her family and me showed me that they are special people in this world. Try to find God in His divine wisdom about this. Trina will be truly missed but always in my heart. God chose His rose and it was her. We can't question why the Almighty does what He does but it is always for the best. I like to tell you that "Weeping may endure for a night but your joy cometh in the morning. I'd like to recommend you read 1 Corinthians 15: 55-58. May God's Peace surround your family at this time of your bereavement. May God make His face to shine down upon you, and grant you His peace. My Family and my church Family First Baptist Church of Saginaw will uphold you continually in our prayers as you prepare to give your loved one over to God's constant care. Be encouraged!! God will never forsake you. So lean on Him .ok

Yours Friends always, Orlando (Capt) and Ursula, Tabia Terry, and Zacchaeus Terry, The Jones Family

“ To the Coston Family, we extended our deepest sympathy to you at this time. No words I can express can ease your pain of the loss of a special person. But know that Trina was a beautiful person and everyone she came in contact with she touched. I am going to miss her dearly. Stay strong in your faith that she is home now. We'll see her again.
