“ *My condolences to the family of Ken Mayo. I was Ken's football  
coach in H.S.  
He was one of those rare athletes who could do it all. He was the  
Cavs leading scorer, receiver, tackler, and was the teams Most  
Valuabe Football Player his senior year. I have fond memories of  
Ken and will surely remember him in my prayers. Sincerely, Dan

“ Dear Mary, I'm so sorry about the loss of your son. I remember those basketball games between Carrollton & Valley Lutheran. It's a long time since we all retired. Hope you are doing well. Call sometime if you'd like.

Sorry we can't come to the viewing, but we are moving my wife's 99 yr. old aunt to a nursing home on Monday and Tuesday. God be with you and your family.

“ Mayo delivered our fuel at the airport and was a great person with the heart of God. We always talked about future business plans and current problems. I hope that everyone learns from Mayo that life is fragile. Anyone of us could leave here tomorrow. We will always love you and never forget your bold ways. I love you my brotha and i'll see you in the promise land.
