“ Kenzie you will forever be missed. It's hard to believe you are really in Heaven now. I keep replaying any memories we had. I still can hear your voice in the MCDonald's drive thru saying "Let me get a ** mcdouble" and "Sauce me up baby" lol. Thank you for always being a true, genuine, funny, gentleman. I feel so bad you have to leave your girl and babygirl back here without you, but I know you will be their angel and watch them and protect them every step of the way! My family and I will always miss your funny self. You were such a good hearted soul!! Rest in Paradise <3

“ *Kenzie was such a bright and happy spirited person. He became a great friend to my kids in Southfield and to myself. He always stayed smiling walking into the house and had everyone laughing. Anytime I would ask him to help move something he would always say "I got you Bro". Kenzie was so proud to have his girlfriend and new beautiful baby and bragged about them. He is and always will be truly missed by us all. Our deepest prayers and condolences to his family.*
