“ My dearest Kiera,

To begin, my first REAL memory of you was when I stayed the night at your house with Kyondra, ninth-grade year...you all had the prettiest and cleanest house! By far!

Furthermore, I always said, “I’m going to have my house like theirs, when I get older!” To continue with my memory, you and Kyondra got in an argument about me being there and you said, “You acting like Latricia is somebody, Latricia AIN’T nobody!” LOL! I was like, “Straight up? What I do?”

That said, looking back, knowing what I know now, you were ‘just’ protective over your ‘Big Sister’, as I am mine.

Crazy, how time flies and we always seem to think we’ll have so much more of it.

To end, my fondest memory is when you, I and Kandice went to the Carnival in Bridgeport while Kyondra was away on duty. Moreover, I recall being pregnant with Aubrey and it got so hot I got lightheaded and said, “Y’all I’m about to faint!” Without notice you and Kandice ran up and sat me down. “Thank you for that!

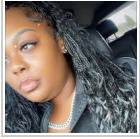

And, thank you for the many memories and words of encouragement you bestowed upon me no matter what me and Kyondra had going on.

Just know, I’ll protect Kyondra from now on, her, your children and her children will always remain in my prayers...

P.S. When I make it to where you are, please show me how to maintain my Kurls, yes, I only do my natural hair, now!

*Love you forevermore,
Latricia Powell*
