“ To Alonzo, Anita, Aretha, Artola, and the other children and Parents of Latina, I express my deepest sympathy. Latina and the oldest children are a big part of my childhood during Potter school days and I want you to know that she and you all will be in my prayers. We all went as "cousins" and that's the way I will continue to feel in my heart. Also I wish to pass a word from Donald "Ducky" Watts to let you all know he sends his love and to do the best to stay strong because God can do everything and anything BUT fail!
