“ The day you were born, you were squeezing my finger. The day the "Lord" took you away, you were squeezing my hand. Days before, you instructed me to carry out your last wishes. God gave me the strength along with the feeling of you still squeezing, I was able to do so. Now you're free and all have come to see how proud and beautiful you are. You're the reason "GOD" made a girl. Dreams conceived in truth will never die. Love You Always and Forever, Betty (mom)

“ I am a firm believer that all things happen for a reason. I know that meeting Ms. Daily was truly destined I enjoyed every moment with her we would talk for over an hour on a call that was only supposed to be 5 minutes long. I am thankful and grateful for her support she gave to me and my child. We worked together at Saginaw ISD and I say she aimed for me to break out of my quiet exterior and show how strong my voice is. Ms. Daily you hold a special place in my heart I will truly miss you dearly. Ms. Comer or should you say "Ms. Hope"

“ *I met Ton at Eastern Michigan University..We had classes together.We would get into these debates because she had to be right... Funny thing is most times she was right. Ton had a smile that could lots up the whole room and when she walked through the dining column seem like everyone was watching her.. Besides her natural beauty she was a very good listener and gave great advice. She was genuine, kind and if you got on her good side you had a friend for life ... She was a beautiful person inside and out and will be missed. My prayers to her family and everyone effected by her passing. Gone but not forgotten. Rest in heaven my friend.*

“ First off I would like to express my sincere prayers and heartfelt condolences to the family of Latongela. I am going to miss her so much as we all are. She left a special place in my heart that I will cherish forever. We laughed, joked and even argued at times but I loved her dearly. She had a very caring heart and went above and beyond for her families that needed extra assistance. She was truly one of a kind!

“ My condolences to LaTongela's family. I worked with her for 7 years at Head Start. Regardless to what conversation we had, she always brightened my day. However, our conversation was mostly about Fashion. We both loved Ralph Lauren clothes. She frequently challenged me to stop matching my outfits. I always could make her laugh when I would remind her "LaTongela you are beautiful and built like a supermodel, you can wear a floral shirt with striped pants. Me, I'm made like the letter S with feet. I will not be mixing patterns :) She'd laugh and tell me how old fashioned I was. LaTongela's spirit was as bright, giving and beautiful on the inside as she was on the outside. She will be missed.
