Laura Crawford was truly a one of a kind lady. The relationship that she had with her children was one of a kind. She loved and would do anything for anyone. Her laughter was contagious. Her selfless caring and nurturing spirit was beautiful. I had the opportunity to speak with her some time back it was quite refreshing to hear her laughter. To the Crawford family I love you guys, just know you were all lifted up in prayer. Sabrina Marsh Gields

“ To The Family of Laura Ann (Fox, Flip, Andre and the other children, grandchildren), we were friends from way back, on Third Street. I will miss her sense of humor, and her funny laugh. She loved her children very much, and we often laughed at how the grands had it much easier than the kids did when growing up. She fought a good fight. Thank you Flip for giving me the opportunity to speak with her before she came home on Hospice. Praying that God will cover all of you with His loving arms, providing each one of you with comfort, strength and peace.
