“ *Mr Baber was my 1st Grade classroom assistant at Arthur Eddy Academy back in the day. I remember helping him pick out his music selection for his upcoming wedding to Sheila. I saw him a couple of years after that at a restaurant, polite but very quiet when I greeted him. He sat with 2 other men I didn't know. I was Shocked at the news of his death not long after that. Mr. Baber had so much ahead of him in life. I never did find out what happened and why he died. He was a great person to work with.*

“ *Dear Baber Family and Friends,
I am so sorry to hear of the loss of your dear loved one. I too have lost several loved ones in death, and the pain is fresh even with the passage of time. I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress.(Psalms83:18,Psalms65:2) Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again.(Isaiah 25:8) My family and I wish you and yours peace.(Phillipians4:7)*

“ *Condolences to the Baber Family:*

Leslie,

Your passing comes as a shock. There are things I never had a chance to share with you.

Growing up in a neighborhood filled with single mothers raising kids can present a lot of challenges. One challenge is not having a Father in your day to day life can lead to young boys acting out for attention. There were many kids running through the neighborhood looking for a Father figure, to your credit you stepped in as a Neighborhood Big Brother.

You pushed us when needed; you told us the truth when we didn't want to hear it.

I remember days of playing football, basketball or baseball you always cared about the effort that was given and you cared that others gave 110%.

I would like to now take the time and say thank you. Thank you for being there when others were not. We will always share the same birth day (May 14th) and I will always give 110% in life.

“ I was deeply saddened to hear about Leslie's passing. I worked with him at Central for 3 years, 4-6 hours a day. The students there all loved Mr. Baber. While he was in the classroom, he was always surrounded by students, because they were drawn to his kind, cheerful, gentle manner. He was such a wonderful role model for our boys! I could always count on his support, and there were days I don't know how I would have made it without him. He was the best partner you could ask for, and a true gentleman. I will really miss him. Please know that I will keep your entire family in my prayers.
