“ To the Still Family: Leslie was a man who was always thoughtful, soft spoken and positive. This man was truly one of God's gifts to the world. I thank God that through work I had the pleasure and honor of knowing him. At the Malleable, we were all a second family. Heaven is more blessed because he's at home with the Lord. My family and I are praying for you all. "To GOD be the glory!"

“ Life never prepares us for the lose of a love one no matter how many times the road is travelled. However, take comfort in the many memories that you all were able to share and also in knowing that he is in a better place.

Love,

We are sending this email on behalf of our mother.

Les called Momma Kid, She love Les dearly and often refer to him as her son. Every visit he made was so very meaningful. She will always cherish his wonderful mannered personality and always there for her during the good and bad times. She will cherish the moments of family time and barbeques.
