“ *I'm going to miss Ms. Bell, we would talk about her gracious presence at work when she would walk into our department. There would be nothing but laughter and girl talk. She would compliment me, and would say things like, "Tan give me those shoes...lol, I would box them up and bring them to work the next day and give them to her. She would say, "I'm not giving them back. I will always hold on to her telling me to never change. I really adored her and I'm really gonna miss her.*

“ Wow, I can't believe she is gone. Although,
she wasn't my Auntie She was my brother's
Johnnie and Derrick's. As a child growing up
there isn't a time I didn't hear her name. She
treated me just like family. I know she is in a
better place. May you rest in Heaven Aunt Lillie.
Love, DeeDee
