“ Hey Ma what's up? I'm down here missing you like crazy wishing that you would come to me in a vision or dream or something, smh I would rather you cuss me out and whoop me for kicking that door in rather than finding you the way that we did, Im trying to be strong and carry myself with strength and wisdom but this is the hardest thing that I ever faced in life, if my you didn't ring my phone 40 times a day them something was definitely not right and now nothing seems right because I don't get those early morning Wake up calls from you no more, and I don't get the breaking news from Saginaw calls from you no more, my 35 bday is May 5th and its not going to be the same without you waking me up singing Happy Birthday to me, when you left my heart was ripped from me and I will never be the same a part of me died when you left ma and I'm trying everything in my power to be strong, I can front in front of people like I'm OK all I want but this here is killing me ma, but I can't let the way you raise me go in vein so I'm not going to curse or question God about this just send me strength ma because after the funeral and people start going back there separate ways that's when I'm a need the strength the most feel me, every move I made in life was to make you proud of me, and now smh....Now I have to keep you proud I love you mama I need God I need strength I need you!!!!!! I have not experience your lost so I can not say how you feel. But I know that the love of God and his gracy will carry us all though. We all have a new angel in Heaven look and protecting us. “ My beautiful Granny. You are so much more than a grandmother that's why this hurts. You my angel, my best friend, my second mom, my counselor, my helping hand, my reason to keep pushing everyday. And now your gone. Its only been two days & it feels like forever already. I miss you so much. I wish I could talk to you and hug you one last time, but I know your okay, your not in any more pain, & your surrounded by God, your siblings & parents. I know I will see you again & that brings me so much joy. I hope I've made you proud & can continue to make you proud. I'm not sure how I'm suppose to continue on without you but I know I have to because that's what you would want. I love you with everything in me & I always will. Your were always my angel from above now your my angel that's watching over me from above. I hope I see you in my dreams. Until we meet again. I love you. Rest peacefully Gran Gran, My Guardian Angel.
