“ Linda's Hadley Support Group and her Lapeer Support Groups wanted Linda's family to know how she touched all of us even though we knew her for a short time. Linda was a very loving and caring person and she will be missed. Her beautiful smiles and kind word will be remembered.

Linda shared with all of us how much she loved and cared about her family. Linda gave a lot of love to her friends.

We were blessed to have known Linda.

Best in Peace dear friend.

“ To Linda my friend for over 55 years and wonderful sister as I called her. This is a shock to me and it brings such sadness to my heart that such a loving person has left us. Linda helped me out in some many things and I am forever grateful that she touched not only my life but the life of my family. I will always have wonderful memories of Linda and her family, and I will forever carry them in my heart. To Joann & family God Bless you all and know that you are always in our prayers and in closing I leave you my cell number (313)717-6691. If there is anything I can do please contact me and I am sure my mom who is now 84yrs old would love to hear from you. I can only close in thinking about 14th street and your mom calling you guys to come in the house for supper when we were all playing at my home. Those days are long gone and I doubt that no one can ever have them back like we had it. We were all young innocent and had no idea what life had in store for anyone of us. We may have lost touch thru out the years but we never forgot one another or those that passed before us. I have lost a dear and close friend and sister and I can only ask that the Lord opens his arms and Greets her with a smile and tells her ""WELCOME HOME YOUR FAMILY IS HERE" Love You Linda and Rest In Peace.

“ I am praying for the family at a difficult time like this. Linda was such a good person and I enjoyed going to school with her. Also I knew Feadow and Denise. Linda was very smart in school. She was very outgoing and a pretty girl. She had the most beautiful hair. She will be remembered in my heart. The family has to lean on God and he will see you through this time. God is just a prayer away. He is always there to listen to you. God will give you the strength to get through this difficult time.
