“ Words can not express the way I feel right now. Liz was a lot of things to a lot of people. She was a singing coach, fashion diva, mother (both natural, spiritual and foster), she was a listening ear and a watchful eye. I am honored to have the privilege of being able to call her mom. Stace, Bree and Bud, God's got you on this one and I am only a phone call away.

I will always love her like she loved me.
