“ Aunt Mitt, It to me always. As heaven gates opened you earned your wings, heaven needed a little comic relief and to hear you sing. At rest but now your soul can rejoice, because true life and forever happiness begins after death. Say hello to all of the loved ones as you enter in, it's another special family reunion. Love you and you know how we do, I salute you from Virginia and I'm in da floor!

“ Aunt Mitt held a special place in my heart as she prayed over and with me. Pearls of wisdom like the “higher the level, more devil and every run has to sit on its own bottom” made me a better minister. I’ll miss our conversations where I could hardly get a word in and she would call me long winded. She was so funny Love you Aunt Mitt
