“ Hey granny. I was just thinking about you. I miss you so much. I know I haven't been to see you in a while. I've been working like crazy. I promise to come by tomorrow. I wrote in my writing prompt book today and it made me think of you. How I wish I could spend the night on Saturday again for church. Wake up in the morning to 107.1 church music playing with you rollers in, the smell of egos in the air, you in the kitchen making you Special K cereal. M walking in half sleep and you fussing at me for over sleeping again. Its the smallest moments that make me miss you so much. I love you granny and I promise to make you proud ! God only knows how I wish I could call you and just say hi, to hear you fuss, to hear tell me everything I wish I would have listened to. I love you.

“ Wow. In 2 days it will make a year that I lost you. The pain that I feel from losing has yet to go away ! I think about you EVERYDAY ! I miss you so much ! It hurts my soul that I can't talk to you and feel your touch ! I love you Mrs. Jones. I keep trying to tell myself not to cry because I know you happy and aren't in anymore pain but I can't stop the tears. I wasn't ready to let you go and I never will be ! You was my rib, my heart, my backbone and I don't have you anymore ! I just want you to know that I LOVE YOU WITH EVERYTHING IN ME ! I wish I could've got more time to tell you. One day I will again. Until then, fly high and you will forever live in me !

Aunt Loretta, will be miss! I'm so glad I saw her this pass summer. I refuse not to see her, it was a must. I will miss our calls and birthday cards she would send from time to time. I smile that her and Mama are back together again. I was told that she said Jessie came to visit her. I knew then it was getting close for her departure. Jessie Cooper & Loretta Jones heaven will never be the same and earth will now have another void. Until we met again you keep prayer for me. My two angels!
