“ Aunt Lou, Aunt Lou:

Oh how I'll will definately miss you and our conversations about getting together to go shopping. My mother would always say: "You stay in that mall and I don't know where you get that from", now I know. You were a true inspiration and encourager when my dad (your brother) passed away 02/18/05. God knows I really miss my Dad and I know that he will be glad to see you (Him and Uncle William "Lil Boy").

To my extended family, May God continue to give you strength and comfort during this time. I know it's hard but trust me God will bring you through it. Aunt Lou is in a BETTER PLACE free from pain and worry. Stay CLOSE to God and you will definately see her AGAIN.

“ Auntie you will be truly missed here in Georgia. I'm going to miss those good old home cooked meals. I guess Teresa going to have to take over now. But I know you're in a better place now. No more sickness and no more pain. And to the rest of the family weeping may endure for a night but joy comes in the morning. Love you All

“ To all of those expressing sympathy in words, cards, prayers and tributes, we thank you. My sisters and I were born to an angel. God let us borrow her for a short time (67 wonderful years), and now she is home with him for eternity. Knowing mom, she's arranging some type of shopping trip up there! All, live life as mom lived it. Reach for your dreams and live every day in goodness and in love.

“ Mary, Theresa & Audrey, my deepest condolences go out to you at this time. I was shocked to learn of your mom's passing. I would see her from time to time out shopping and she would always spot me before I would her and yell out" Is that my teeny tiny?" I would tell her " yea but I'm not teeny tiny anymore" She would say, "well you'll always be my teeny tiny!" My sister, Cynthia and I used to look forward to coming to your house on Meridith to play when we were younger. Your mom would talk, laugh and dance with us! She was always the same and to me, she never seemed to have aged. Every time I would see her she would be so proud of you guys and her grandchildren. I am very blessed to have know such a warm and loving woman. May God bless and keep you as you go through this difficult time.
