Her time and patience and LOVE for them was shown as babies and as they grew into adulthood and then their babies. She will be missed but never forgotten. Thank you Weese for all the Love you gave my babies, Marvin and Danielle. I love you and appreciate it.*

“ I really can't believe you're gone...although I have not seen you in years, you were a constant part in my childhood, from 1st grade to college...cooking for us, cleaning up behind us, conversations between you and I, you were really like an Mom, Aunt, or a close relative...I have missed you and to know you're gone, I miss you even more. RIH, because you are "officially" part of God's army in heaven as you were on earth! Love you so much, gone but never, ever forgotten.
