“ *No words can express how much I miss you and love you grandma. You wasn't just my grandmother, you was also my mother. I am so so blessed to have had you as a mother. My heart ache's every second in each each day knowing that you are not here on earth with me. If only I could hear your voice and see you again. I wish I was having a bad dream and that that once I wake you would be here. But I know we will see each other one day. Until then save me a seat next to you. Rest in peace my angel. You are truly missed. Love you forever your daughter LaCresha*

“ Mrs Louise was a very nice Christian lady that we knew since Norman street. she gave me my first bible study when I was younger over her house. she taught me the Bible herself and I am so glad she did. she also gave me special little presents and a bunch of shinny pennies and cards for me when I had the mumps when I was younger. Our prayers go out to the Taylor family

“ Louise Taylor was my dearest FRIEND since we were young in Ripley, TN. We've known each other all of our lives. My heart is heavy at the loss however, I know that I will see her again, awaiting me at the pearly gates. Rest in Peace my sister my friend.

Lessie Sangster Wilson.

Mrs Louise used to keep me as a child my mother told me. She shared what a sweet soul she was. Beautiful externally and internally. "Death is just a step along life's changing way, NO more than just a gateway to a new and better day. So let your grief be softened and yield not to despair, YOU have only placed your LOVED one in the loving FATHER'S CARE" .May the family's hearts be filled Joy, Happiness and serenity while she takes her REST.

Laura Sangster, daughter of the above Mrs. Lessie Sangster Wilson.

We express our most sincere and deepest condolences to all of you who loved and cherished Mrs. Louise. We did and Still do....
