“ *We were blessed to have Cousin Lula visit our home in Jackson through the years and she always brought laughter and pulled the family closer together. She wanted to spend time with as many relatives as possible and on some occasions would bring a few delicious picnic baskets of food with her! She was like a sister to my mother, Flora and they also shared many hours on the phone, lifting each others spirits. That truly was the special God-given gift to Cousin Lula and she shared it with the world! Blessings to Pat and Joe, from the Gander family.* ”

“ *Lula Mae was my cousin and dear friend. We are going to miss her, and I will especially miss our long and joyful phone conversations over the years. Last saw my cuz when I visited her in the hospital in Saginaw during the summer 07 2019. God knows best, so he called her home to Glory to be with him. She was a wonderful person to know, and I know she loved God and her Church. I had the opportunity to escort her down the aisle at her special day at her church, and that was a wonderful experience. May God Bless the entire family, and don't worry about Lula Mae because she is in a better place today. May God Bless. Attorney Hewitt & Dornell Chatman, Plant City, FL.*
