“ *My Sincere Condolences to the Family. Nette was always was funny and down to earth. Her personality was whatever you saw was what you got, if it was something she didn't like you knew because she was going to most definitely let u know. Her spirit was so kindhearted even when you thought she was coming off a little aggressive her heart was pure helping anyone in need but at the same time she would tell you Get it together. I know my daughter is hurt because it just wasn't enough time to spend to continue to be there for her to make her laugh. But she has special Angels around her. Prayers to the Entire Amos.*
