“ *Patti,*
I know that you made your father proud as he saw you grow and mature into a beautiful, intelligent, successful, and strong black woman! I also know that you took great care of him, and made his last days some of his happiest ones!
Rejoice in the blessing you have of your memories that you can cherish, and share them if you choose to. You know that you have an audience who will appreciate them.

*Call me whenever you want to,
Al*

“ *Patty: My family and I wish to send our Prayers out to you and your extended family. We regret the loss of your Father, I do know how much you loved him and how dear your parents were to you and you to them. Continue to carry on the good works that you do and God is still blessing you and they are smiling down from heaven on you. I've visited the neighborhood and I get depressed to see how it is now, but have fond memories of how we sat our the steps and talked and caught the bus together and walked the halls of BV. Stay sweet and strong.*

“ Hi patty, I am sorry to hear about your father. You had the best in parents when you were growing up. I don't know if you remember me or not. I use to come over to your house when we were kids. That was ions ago of course. I use to live on S. 24 just off Perkinsright next door to Maxeys and Mayfields. Everyone is getting older and it is just hard to believe. May God bless you and your family in your time of need. I am sending my condolences.
