AS

“ You were my best friend when I was a little girl.. you keep coming to my mind randomly throughout my days. I wish you could have been here, you were so beautiful and smart.. I can only imagine how good in life you'd be doing right now. I hope one day I'll see my very first best friend again.. - Amber Shaw.

DR

“ *Our prayers goes out to you Tanesha at this time in need. Your daughter Majesty was in the same class as my youngest son Santino, when I heard what happend it really touched me I have two boys and can't imagine loosing both of them. You are a very strong woman and can be a big help and inspiration to a lot of young mother's throughout this city. The homegoing of your family really changed me. God bless you and keep Jesus first*
