Deepest sympathy and prayers to the Johnson family at the passing of your father. I have such fond memories of growing up in our south side neighborhood and playing with the Johnson kids. Mr. Johnson (that's what we neighborhood kids called him) always had a kind word and a bright smile for us and always took the time to listen to what we had to say. May God comfort you in your sorrow. Love, your childhood friend, Delia Del Valle Mills.

“ *Mr. Johnson; from your son-in-law. I know I am just a son-in-law however, you always made me feel like so much more. That was one of your many talents, you had the ability to make everyone feel like they were special. No one will ever know how important you were to me and my family; you helped us, taught us, and loved us. I will miss your yearly visits, and the many hours I sat quietly listening to you talk. No one could hold a more meaningful and interesting conversation as you. I will also miss making the pot of vegetable soup you always requested, watching your daughter rush to make you tacos and you cutting the lawn whenever you came to visit as you would say "just for the exercise". I loved your sense of style and choices of cars; the Pontiac Fiero, the Datsun 280z, the Signature Lincoln Continental, and the GMC Conversion Van, which all eventually became mine. We enjoyed them all. I appreciate the wonderful daughter you raised and the example you have been to myself and our kids. To say I will miss you just doesn't express the true sentiment of how our lives will change drastically without you.*
Love, James

roommates at WMU. I will never forget meeting the Johnson family
and having all of them greet me with a hug. It was as though I
became a member of the Johnson family on that day and I know
that kind of love in a family comes from the head, Mr. Johnson. I
had the pleasure of being at his 90th birthday celebration and I will
never forget the joy and happiness I saw on this face and that
beautiful smile. It was such an honor to be there and see the love
his family showered on him on that and every day.*

*To the family I just say, I am sure he knew how much you all loved
and adored him. We all loved and adored him because he was a
gem.*

*My thoughts and prayers are with each and every one of you. Love

Mr. Mander (Pete) was a great man who will be missed dearly by his family and by all who knew him. I always enjoyed his visits when he came to town he would stop in at the shop and bring an encouraging word and was a big supporter. Mr. Johnson was easy going, didn't let anything bother him and lived life to the fullest. And to the family, we hold each and everyone dear to our hearts and pray the Lord gives you strength to endure this emptiness you feel at this difficult time. Remember, what the Lord said "out of the body is present with the Lord".. We hope you find peace knowing your loved one IS with our Lord! Jesus Wept!!!
