“ *I would like to offer my deepest sympathy for your lost. Just continue to look to God for the comfort & strength that He is willing & able to give, to help and guide you all through these difficult times. I didn't know Marchell personally, but I attended school with several of her sisters, and Delores & I churches fellowship together several times throughout the year. So I offer my condolences, know one knows when the death angel will knock on there door, but we just want to be encouragers to each other as God would want us to be. I am praying for the entire family and continue to look to the hills for your help because all of your comes from the Lord.*

“ On behalf of the Herring Family (9th Street- many years ago), we would like to send our sympathy and prayers. I remember Marchell from one of my birthday parties, our birthdays were close 9-24. I was shocked to see the obituary and my mom sends her love to Mrs. Reid. Our prayers are with you and we know that God will give you strength and peace.

“ *Marchell was a beautiful person. Whenever I saw her she always had a glowing smile on her face. We prayed together and shared long talks about the Lord. One thing I know for sure is that Marchell knew the Lord. She will be greatly miss by all who knew her. To her family, I pray that God will wrap His loving arms around you during this sad time. Cast your cares upon Him and He will see you through.*

“ *"I Have a Place In Heaven"*

*Please don't sing sad songs for me,  
Forget your grief and fears,  
For I am in perfect place,  
Away from pain and tears...  
I'm far away from hunger  
And hurt and want and pride.  
I have a place in Heaven  
with the master at my side.  
My life on earth was very good,  
As earthy lives can go,  
But paradise is so much more  
Than anyone can know...  
My heart is filled with happiness  
And sweet rejoicing too.  
To walk with God is perfect peace,  
A joy forever new.*

*We Love You All.*

“ *I was saddened to hear about Marchell's death. I knew her from my days at Saginaw Police and my time as a detective with Buena Vista Police. She always had a smile on her face and was warm and friendly, one could not help but like her. I pray that God will be with her and all her family members during this time of sorrow. I have spoke with several other officers that worked with her and they too had nothing but nice things to say about Marchell. She will be missed and she will always be one of our "Brothers and Sisters in Blue"*

“ *As time passes on and the more we trust in him our wounds will heal and we will understand bye and bye. Even though I didn't see her often after high school she was an inspiration to me because of her accomplishments. We must never take for granted that our loved ones don't need an encouraging word from us or prayers rendered to God on our behalf.*

*I will miss you!!*

“ *Sometimes, the words we speak don't seem to fill the emptiness inside,*

*When a loved one has left us, it is hard to keep our pride,*

*In these troubled times, there is only one I know that can bring us through,*

*That is God, the Father, He will make your day brand new.*

“ *Marchell was the best at many things, smiling, (fine dresser) dressing, singing. Also blinking them there eyes. She was fulfilled. We followed each other in many ways, employment, school, to employment again. Worked as detectives together went to eat to the movies etc. She loved many and shared what she had. Marchell loved her children and family, she showed lots of love. Marchell loved the lord most of ALL. I will always remember our shared words. Rest in Peace my dear. NJM*

“ *Marcell has been my next door neighbor for too few years. When she moved to her residence it was badly in need of repairs. She undertook the project with lots of energy and know-how. It turned out to be a beautiful place inside and outside. I will miss such a great neighbor. In addition she trained her son Harold to be a nice boy with wonderful manners.*
