“ *So many memories.....I can't seem to get past never seeing or talking to you again. Facing the reality of just time being taken for granted alone is way to unbarrable. all I know is no matter the day or hour, I could call with any problem situation or circumstance and u would help me see my way through. Fuss me out but never deny me ur love and support. I thank u and I love u and each and every memory I will continue to take with me, good or bad, so that my growth here in this world will be certain of me seeing you again. “ To my family,

Junie and I am sorry that we will not be able to make it back home to say hello to you all and our good byes to Marie. For me, Marie was not only my cousin and friend but she was my mentor. She was my mentor at a time in my life when I needed someone the most. She was there when most were not and I am thankful to have had experienced her love, support, realness, and friendship. She was always positive, real, and kept it 100. I was blessed with my last opportunity to see and chat with my cousin just a few short months ago in July of this year. We agreed that we weren't going to major in no minors! She looked GREAT!!! She was smiling and positive; still being and doing Rie :))))). I told her many years ago, thank you for her support, love, and wisdom.

To Quin, Ben, and the rest of the family, this is a hard one I know. Please pray for me as I am keeping you all in my prayers today, tomorrow, and always. I will always keep Marie alive in my heart and thoughts as so many others will. To Marie, my cuz, my friend and my ole' mentor, thank you. Thank you for being there for so many of us. For showing and teaching us, for being so supportive with your words and actions and never giving up me. You made my Mom a promise and you kept it :))))). When you see her up there, tell her you kept your word and I'm always trying bc I will never forget both of your words and wisdom.

Marie, you will be FOREVER missed and ALWAYS loved. Love you cuz.

“ *We'll cuzin you can now direct that heavenly choir now, I have so many funny memories of you, especially when you are chastizing the choir. Oh how I wish just to see you face when we make the wrong notes specially the alto section. I think of that song u sang "God's Got it" and yes He does He has you!*

“ To the family of Mrs. Marie Johnson-Baily our prayers and sympathy goes out to the entire family. Marie will be sadly missed. We know God knew Marie was suffering and in pain, and that she would not get well on earth again. Ben and family remember she didn't go alone because part of each of you went with her. It's not goodbye but see you later. Much love from the entire New Mt. Calvary mass choir.
