“ Aunt Marilyn and Uncle Doyle are very special people I grew up with. I am sorry I will not be able to attend her memorial as I live in Arizona now. But Aunt Marilyn always knew how to pray in her own way. I am sorry I have not been able to visit over the last several years and I know she touched many peoples lives through her prayers. I am glad she is not suffering any more and I will see her again on resurrection day with all of my other beloved people in my life that have gone on before her. I love you Elizabeth, Rebecca and Rachel. You are all in my prayers as we are still family.
Love Karla Davis, Dolores McKimmy Schnepf's oldest daughter.
