“ *Marlese's fourth grade friends are very sorry to hear of your loss. We wanted to share some of our thoughts and memories of our sweet Marlese. She truly touched many fourth graders?*

I'm sorry to hear about Marlese. Just remember all the great things about her, like her smile.

I felt so lucky to know someone like Marlese and I'm so so sorry to hear what happened.

I will always remember that sweet little girl. I'm so sorry you lost your child.

I will never forget when Marlese came into the room. She was always so happy. I'm also really sorry.

I miss her! I remember her smile and her clapping. She is so funny, she always made me smile.

I'll always remember Marlese's pink sweat suit she wore!

I would like to see your smile one more time. I remember that you would always clap, laugh, and smile.

Marlese will be in the safest place ever. She will be watching over many people.

I remember when Marlese would always hug me and smile.

We will never forget when Marlese smacked the big trash can and it made a big mess. She smiled and we laughed with her. Marlese will never be forgotten.

I am so sorry for Marlese and her family. I will never forget her and her smile. She was a good friend and person.

I felt so happy when I seen Marlese and I feel sad that she is gone because she makes me happy! Also, Marlese is a good student and is a very happy person. So that is why I hope that she will be happy in her after life.

I?m sorry about Marlese.

Marlese made me laugh and she was so happy. I?m sorry about what happened to her.

I will never forget Marlese.

I will always remember her pretty smile.

Marlese would always brighten my day. She was so nice and she would always come in smiling. I am so sorry. I will always remember her and I will miss her a lot.

I am so sorry about your loss of Marlese. She was a best friend to me.

You always made me smile. I?m sorry that you are gone.

I will never forget Marlese because she put a smile on my face when I was down.

I will never forget Marlese?s beautiful smile or seeing her face every morning.

Marlese was an astonishing girl. Everyone in the class loved her. She was part of our family and to lose her is sad. We are all very sad she is gone.

Love,

Mrs. Blaskowski?s Fourth Graders

Little Angels

*When God calls little children
to dwell with Him above.*

*We mortals sometimes question
the wisdom of His love.*

*for no heartache compares with
the death of one small child,
who does so much to make our world
seem wonderful and mild.*

*Perhaps God tires of calling
the aged to His fold.*

*So He picks a rosebud
before it can grow old.*

*God knows how much we need them
and so He takes but few,
to make the land of Heaven
more beautiful to view.*

*Believing this is difficult
still somehow we must try.*

*The saddest word mankind know
will always be "Goodbye".*

*So when a child departs
we who are left behind,
must realize God loves children,
Angels are hard to find.*

“ *Though in life comes death, the true blessing is to have lived!*

No words can express the loving nature and pure sense of life that Marlese exhibited every day. She touched our lives in a very special way and is an expiration to us all.

Her Angelic smile will most be remembered and her ability to bring joy to everyone. You are at peace now.

We Love You Marlese!
