“ We extend our deepest of sympathy to you all on the loss of Marsha. Take comfort in knowing she suffers no more and she sits in the comfort of God's arms. I pray that you find peace in your memories and no that your families love surrounds you now and beyond the pain. She knew how much she was loved, and you know how much she loved her family so take solace in that. I can hear her singing now, what a beautiful addition to that celestial choir. Besides, she's got her favorite Aunt with her so she's fine. Momma sends her love and a big hug for you Lank. Stay faithful and God bless.
