“ *My Aunt Martha was such a special lady and she always made you laugh with her sense of humor. She often came to Birmingham, AL through the years to visit my Mom, her sister, Ruby T. She looked so much like her that it was almost hard to tell them apart when I was a little girl.*

*On my last conversation with Auntee, she was talking about how much she missed her two beloved sisters, Sis T and Baby Sarah. I know that they welcomed her home with opened arms.*

*She fought such a good fight, and she has finished this earthly course, but now she has been reborn with eternal life. We will miss her dearly on this earth, but one day we will meet again.*

*Sleep on dear aunt and take your rest, we all loved you so, still God loved you best!*

*To my cousins, stay strong, for you know that when you have done all you can for your loved one, God gives you peace of mind.*

*Remember the happy times, they will help to carry you through. In time, when you think of her, you will be able to smile again.  
Memories last forever!*
