“ MyTee, it been all most a whole month since you have been gone , I think about you everyday. Thinking about if I would have done this or that. I should have told you more often how much I loved you, spent more time with you, if only I knew that the Lord was going to call you home so soon. But I know that's the past and like you always taught me to garb each day as a new beginning. I'll never forget you my proverbs 31 women.
