“ *Our deepest sympathy to the entire family!
My mom, Ms. Noah Walker and Ms. Martric have been friends for many years. They were such great friends and used to talk on the phone, often before both of their health started to decline...at 92 years young for both of them...I'm sure they had a lot to talk about and many memories to share. If my mom was fully able to comprehend, she would be so very sad to know that her dear friend has departed from this world. I know they loved each other!
Peace be with the family.
RIP, Ms. Martric!*

Much Love, from The Walker Family
