“ *My condolences to the Hall Family: All of you are practically my brothers and sisters since growing up around each other...losing our parents to the enemy, death, is hard to deal with; yet we know and were raised with the assured belief in Jesus and his words at John 11: 25 - 27. Keep this in your hearts, and know we'll see our dear loved ones who passed away once again in Paradise! Luke 23: 42,43.*

“ *With Deepest Sympathy; Mary L. Hall was a people who live on in our hearts. It takes a long time to get used to the loss of someone we love. But it's important to remember that when people die they leave something very special behind. They leave us memories of the thing they said and did. And as long as we have these memories the people we love will live on in our hearts and minds. Revelation 21:4 helps us to see that God will wipe out every tear from our eyes and death will be no more.*

I am so sorry to hear of Mrs. Hall's passing, when she came to my salon to get her hair done, she would entertain us all with her story telling. I will miss her telling me the history of Saginaw and how we lived "back in the day", as she would describe things from about 50 plus years ago. She was full of knowledge, and all the ladies in the salon would listen in amazement, as she shared with us all of her adventures and fun times she had in Idlewild, Mi. and other places she visited, as well the many other things that was exclusive to African Americans back then. Her presence will be missed by many, my condolences to the Hall family and the extended family members of Mrs. Hall....
