“ *With Sympathy*
Sometimes it's hard to understand the reason for some of life's struggles. Yet, through it all, it must be a comfort to know that friends and loved ones sincerely care about you in your time of sorrow.

“Wow, its hard to believe Aunt Mary is gone. I always would ask Eddie about her when I would see him at work. I had to call Aunt Odie to make sure it was true. Aunt Mary was always someone special to me,even though I haven't seen her in years. I worked with her at Saginaw Community Hospital as well knowing her all of my life. Niecy & Debra all I can say is hang in there, you know I know what you are going through. I'am sorry, I can't be there with you all. My prayers & thoughts are there. I put you in the same hands who held my heart when I loss Mama. God can do more for you then I can ever do at this time. You guys hold each other up and stay close. Lady & Eddie, hold on as well. Aunt Mary is now with the others Mama Willis and her sisters and also Mama and Jason. I will miss her, but one day I too will see them all again. Love, Couisn Peter Cooper.
