“ My condolences to the family, I met Mrs. Scott when I first started volunteering at the polls. I remember her smile and her willingness to help when someone didn't understand something she was a truly unique spirit and she will be missed, but to be absent in the body is to be present with the Lord, and she is resting now with the Father.

“ There never seems the words to say to make this time any better. The best I can tell you is to stay very close to God and let Him be your strength. She will always be remembered and the pain will lessen some with time. I worked Elections with Mary for several years and can't imagine them without her.
