“ She was a very special lady, I remember as a little girl going to her house for the cook-outs, I truly miss that. Me and my cousins, sharla, april and the others I can't remember their names, we all use to run around the house and play while the adults would be outside listening to music and talking. Those was the good old days. She will be truly missed, To the Family Remember she has finished her job on earth now she's with Our Heavenly Father.
