Just think about the happy times that y'all spent with one another and if you do that the sorrow and grief that you and rest of the family feel should be lifted. “ To the family and friends of Maurice Burnett, Our family would like to say keep praying to God in your time of this great loss, Because like God the Devil also works in masterious ways. He sometimes wants us to think this is God's doing, But as christians we know

who really get's the joy out of taking such young children lives. God gave his only begotten son to us so that we could have everlasting life @ john3:16, So it wouldn't make since for him to change his mmind about Maurice.

At john 11:25 Jesus states he is the reurrection & the life, He that exercises faith in him even if he dies he will he will come to life. Last but not least the key word here is LIFE.

Ro 6:23 God give the GIFT of not just life, But everlasting life. Just remember

when you're alone and think that everyone has forgotten, God sees you and is ready to listen and never forgets anyone of his children. Talk to him for as long as you need to or want to, Our family after getting this news haven't stopped yet. We love you all and our hearts pour out to you all.

“ Maurice there are so many things that I wish that I could tell you before you passed. As you, I cared about you a lot. I know I always say "Rice you know you my future baby daddy." And you still are my future baby daddy. (lol) You know I miss you so much. Ever since the you moved to a better place I had to cry myself to sleep. It just not right. Man since that day you are the only one that I been thinking about. You are the only person I really could talk to about everything without the judgment and you putting me down. I really wish I could have told you how I felt about you. Well I guess you know read them and here them in my prayers at night.

I just wanted to offer my condolences for your lost. The loss of a child is undescibable and irreplaceable. My heart goes out to the family hhe whole family but especially his mom and dad.

STILL HERE

*His laughter
his smile
still lingers
all this while*

*he is not gone
for the memories are still here
he is still with you
so do not cry my dear*

*he sends his love
when you laugh
he still plays in the games
and for the show he still claps*

*and when you see
the geese flying south
he is the wind chasing them
with ghosts of laughter all about*

*The shine of his smile
lies with the sun
his embrace is it's warmth
and he is with you, always having fun*

*And when the cricket chirps
he is their to hear
tell him anything
and he will fight your fear*

*So do not think of him as gone away
his eternity's just begun
he will stay with in your heart
and meet you in heaven, when this life is done*

“ My most sincere condolences go out to the family. I loved Maurice like he was one of mine. When he found out I grew up with the family he started calling me his cousin. He was a model teenager and a loving young man. He always smiled and hugged me everytime I saw him. I remember him asking me when I was going to come to his games when he started playing at The High. I missed the first couple and then I started making the rest. I watched all his games last year at Central. He was surely something special. I was so crushed when I heard of his homegoing but I know he is in Heaven still smiling. Maurice will be sadly missed but surely remembered. Much love and God Bless!!
