“ Lets be thankful for tha life, spirit, good and bad times, and the smiles for the last tweenty years that MAVERIC showed. We will never no the reason just know that GOD is and have been takin care of us! I have had the opportunity to meet him at the Boys & Girls Club Nelle Haley site in the area we call the park, by us being the same age i thought he wouldnt listen to me but he did because i was supervising and i will all ways respect him for that! He was a cool and laid back person to have had the pleasure of knowing. I ask everyone to show this same love the day after the funearl, i tell u it helps out alot. “ I miss my family and love them so much. This broke my heart when I heard the news. Aunt Gloria I am sorry for your pain and hurt. I know Maverick is looking down on us and telling us he is okay. I remeber when he used to like to play footsie as a baby under the table. I pray for all of you all the time. Just because I am in Texas just know that all of you are not forgotten.

“ I've known Maverick every since Nelle Haley Elementary. He was so funny while we were in school and was always cracking jokes on someone. I then had the pleasure to continue my schooling with him at AHHS. I am very sorry about the lost and just know that he is in a better, safer place looking down on everyone. James, stay strong and know everything will be already. As for the rest of the family just know GOD has better plans for Maverick.
