“ To John, Mrs. and Rev. Whitfield, and the entire Walton/Tate family. We extend our prayers to you. Though there is no way of knowing the pain that each one of you feel, we are committed to standing by your side to help you through this very difficult time. There is no question that Mel will truly be missed, but know that you will see her again. It is very obvious how important family is to each one of you, continue to lean on each other, NEVER forgetting that it is impossible for God to lie, and God said that He would keep us, guide us and never put more on us than we could bear. In times like this, we wonder, if this is far too much to bear. But know, that He (God) is your shepherd and He has not left you alone. God is with you and he will carry you when the weight gets too heavy. The Plowden Family will continue to keep each of you in our prayers. Please remember that we are here, we are standing next to you, willing to help when and where ever you need us. God Bless you all. With Love, The Plowden Family

“ *To the family, you are in our prayers. May God give you strength and peace as you endure this time.*

I have several memories of Melanie. She will be missed very much.

I remember us growing up playing together and bike racing after school, and waiting on the school bus.

She was a nice person.

Be blessed!

“ Linda and family I'm truly sorry to hear about the passing of your loved one. Just continue to trust and believe in God because he truly knows best. We don't understand why when He take our loved one home to be with Him. That is why He tells us to "Trust in the Lord with all thine heart and lean not unto thine own understanding" Proverbs 3:5

*Don?t be discouraged, let?s leave that for the rest
Because in life we gave love, all we had to the best*

*And you, you?re like the good things, that has no value or price
Just know the world could not afford you, so you were purchased by
Christ*

*You may be gone from my presence, but you appear in my mind
You didn?t see 2007, but I wouldn?t press rewind*

*Because you?re gone on to glory, while we suffer and wait
You?re on a first name basis with Jesus, while we exist among hate*

*You sent a message with your departure, you?re away and it hurts
I won?t lie, I?m a cry, but He loved your first*

*So with prayer we seek peace, cause are hearts are heavy
But if I love you, them I?ll love Him (Jesus), Surrender my life and
be ready*

Victory*

“ If we could bring you back again,
For one more hour or day,
We?d express all our unspoken love;
We?d have countless things to say.
If we could bring you back again,
We?d say we treasured you,
And that your presence in our lives
Meant more than we ever knew.
If we could bring you back again,
To tell you what we should,
You?d know how much we miss you now,
And if we could, we would.
Mel, we love you and miss you...
