“ My grandad was such a quiet, humble, hardworking man. I'll miss those weekly calls when you and daddy would be on the phone for HOURS just to check in on us and talk about old times. Even though you were thousands of miles away it felt like you was right around the corner. You had a big yet contagious smile that would light up the entire room. I can't forget about the first time we came to Michigan to visit you made us feel so at home. I really think all of us cried when we left heading back to Alabama because it was so hard parting from you after being away from you for years. I know you're at peace now hand in hand with my daughter Kynnedey and the rest of the family. Until we meet again I LOVE YOU
