“ To My Entire Family: With Love

I know that we all have just lost another love one. Not long ago we also lost the one who was dear to all our hearts (GRANDMA). There are so many things that we all tend to enjoy in life. No one actually knowing when they're time will arrive to depart from the invigorating lives that we all live by. So with that in mind we all need to live right by GOD and live life to it's fullest. I know that it will be hard to move on but with putting GOD first and with pray anything is possible. Phillipians 4:13 states that "We can do all things through Christ Jesus who strengthens us". Just to let you all know I love each and every last one of my people. I look at my father some times and I know that he is full of hurt and pain. When I see him hurting I hurt. I just don't know what I would do if I was to loose him. I pray all the time for him but only he can change himself. Along with the rest of us, we got to want to change our ways before the change can overcome. We are not perfect, but if we only try to change some ways that we choose to live by, then our surrounding world would be a better place. I just hope that loosing a love one would bring our family closer and not tear us apart. I want to close by saying "Uncle Wayne" is in a better place and he is not suffering, hurting or worried anymore. This is what makes me be at peace. The only thing that I do know is I am going to miss him dearly. I am especially going to miss him calling me "Mama Lisa".

Remember: Keep all his memories close to your heart, and with that in mind he will never depart;

*Love always
"Mama Lisa"*
