“ Lorna sends her sympathy to Melvin's family. She has known him for many years, and she used to live on S Harrison Street. She last saw Melvin when he said a prayer and spent the day with her and her family for her 100th birthday last August. She thought a lot of him all these years. May God bless your family and be with you in these hard times.

“ Mel use to laugh at me when I called him the king of the north dorm when he was at work. I can still hear that laugh. I am glad I got to know him.
