**A TIME TO BE BORN:** Micah Deon Washington was born September 30, 1979 in Saginaw, Michigan to Patricia Marie and Willie Washington, Jr. From birth he was taught the ways of the Lord.

**A TIME TO LOVE:** As a child, Micah was always happy and he looked after his older and younger brothers and his sister. He loved to run track, play football, and if you ever asked him, he was beating everyone playing basketball. You might even catch him glued to a video game trying to beat it in one day. He loved to joke around and make everyone laugh. Micah was honest, patient, loving and loyal and his friendship was one in a million. He adopted the nickname "Millionaire". He then met his love, Jasmene Clay at the age of 20 and to that union he had his first child and "twin". Three years after he met Rachel Sausedo, to that union, he had his Junior. His family was dear to him--he loved everyone. Micah's life was so unique that words can not begin to explain or express it.

**A TIME TO DIE:** On Monday, September 19, 2005, Micah departed this life and made entrance into the "gateway" to heaven. He was preceded in death by his uncle, Darren Bloomingberg, grandfather, Johnny Clayton Bloomingberg, great aunts, Alberta, Betsy Mae, and Bonnie.

“ Just as you said it would, Mike, my surgery went well! I wanted to say that Micah was a great Brother-In-Law and I always loved him very much. He was good to my son and Chandler will always remember him. We made a promise three weeks ago to become the ambassadors of this family that would bring together the next generation that we helped created. I want you to know, Mike, that Michaja and Jazz are in my heart and I will forever look after them and do my best to uphold our plan! I will always laugh when I think of how you used to call and ask to speak to "Chantler", hahaha. I'll miss you Mike!  
All my love, your only sister-in-law,

“ *Micah was a good friend from my years at Saginaw High School. His sincere love for his children and family was evident in his actions towards them. His physical presence will truly be missed, however I trust and believe that his warm spirit and loving kindness will forever live on in his children and those who love him dearly. My most sincere and heartfelt prayers are with the Washington family and all of Micah's many friends. My God bless and keep you always.*

“ To my adopted family The Washington's,  
I pray that the Lord keeps his loving arms around you in this time of sadness. My greatest memories of Mikey is the way he always made everyone around him laugh. He always had something funny to say. He was a loving father and a great friend. He will be greatly missed. In life we have to learn to maximize each moment because tomorrow is not promised.

Love always,

“ Mikey was a good friend. I was saddened when I received the news that someone had taken him from us. Mr. and Mrs. Washington have lost a son, Money, Vel, Mel and Naomi have lost a brother. Michaela has lost a father, and for those of us who were friends with Mikey we have lost a good friend. One of my last memories of Mikey was at Hooter's last summer when we all went out to eat and he came in smiling carrying his daughter on his neck. We stayed for about 2 hours just laughing and talking and having a good time. Unfortunately there will be no more memories made. I wish that these words could have been said in person but they can't. My prayers and condolences are with the entire Washington Family. Goodbye Mikey.
