“ Our thoughts and prayers go out to his sister Sousa, we're so very sorry to hear of your loss. Mike was a wonderful person and very healing, such a calm demeanor. My husband and I appreciated knowing him for the last 10 to 15 years. We will be looking forward to seeing him in the resurrection. Much love to you sister Sousa.

“ My wife and I recently took over a company from which Mr. Sousa was a customer for several years. When we became new owners we were both anxious, nervous and unsure if we had made the right decision. Early on, Mr. Sousa called our office and I had the opportunity to introduce myself. We spoke for almost an hour and by the time we got off the phone I knew that I had made the right decision to take on this new venture. His kind and wise words were so very much appreciated. A few days later I received a letter from Mr. Sousa in the mail, we were touched that he would take the time to write such a nice letter thanking and encouraging us. His letter hangs above my desk to this day and I look at it every morning. It meant so much to us; then and now.

We were deeply saddened to learn of Mr. Sousa's passing. Our heartfelt condolences to his wife and family for their loss. Our thoughts and prayers are with you during this difficult time.

“ *Such a dear, dear brother. I was so blessed to study with Mike ... He took me - an absolute stranger - into his home and taught me "sayings of everlasting life." He and Barb, Sis H. and Roy will always be a part of my spiritual heritage ... Proverbs 18:24 ... Paul Wyche, Fort Wayne, Indiana*
