“ My heart is so broken because my best friend, sister, confidant is being laid to rest today! Our boys had so much hanging out! All our Sams club shopping we did my car was so packed we couldn't fit in the boys. The party's and bbq we had! During Covid we leaned on each other! Couldn't ask for a better friend! You were extremely forgiving, loving, caring, sharing with everyone I love that about you! I just regret that I should have met you earlier! And I regret the good times that we won't have! I'm missing you right now and I will miss you forever. Love you Shelly.
