“ Ms. MINNIE, you were a wise, kind, Pioneer for every black woman who raised their kids on their own. You always had that signature smile and laugh that will be missed the most. It will never be the same, that's a given but knowing our LORD AND SAVIOR, has taking you under his wing, that's somewhat comforting. No more pain, no more kemo, no more doctors. Just walking with your loved ones whom you missed so deeply in heaven, together again. Fu-Fu and Fredrick, you know if you need any little thing, don't ever hesitate to call, because it's never a problem. We are family, and we all we got so, you don't have to carry this burden alone. Always remember that, and to the rest of our extended family, stay strong and stay faithful to our HEAVENLY FATHER 'S WORDS. He will be with you when you feel no one else will. I love you family, til my last breath and beyond!! SHON
