“ I thank God for Mama T coming in my life. She was such a good friend, a true friend. She was someone who you could talk to about anything. She would always tell you how she felt. I love Mama T, she was like a mother, sister, and a grandmother. She had so many talents and could do so many great things. I learned so much from Mama T and I will miss her dearly. I am so glad that the Lord has relieved her suffering and pain. I would like to offer my condolences to her family and friends. You are in my prayers. Be blessed.
