“ I have so many wonderful memories as a teenager getting my hair styled at Another Bad Creation on Outer Drive- the whole team was amazing: Monica, Zeldia, Simone, and another stylist whose name escapes me. It was more than a salon, it was a safe space for teenage girls to talk about school, boys, the problem of parents, and everything in between. Monica and her team were like aunts to some of the girls, and she curated some of my signature styles - including the crimped bob which I wore to my first prom. Thank you, Monica, for making me feel beautiful and to see my own beauty at such a critical age and for giving me a space to create so many wonderful memories. You were loved and your work was both felt and appreciated. May you rest in peace.

Sincerely,

Tony, the Sangster and Haynes families, I am saddened that our Angel has left us to continue our earthly journey. We will miss her smile, positive personality, and kind spirit. She touched the lives of so many people that came in contact with her. She will be fully restored in Heaven with Jesus until we meet again. God Bless you all with comfort during this difficult time of loss. I will keep you all in my prayers.
