“ There are no words to say to wipe away the tears in your eyes. If you knew Mother Chapman you won't have to wonder where she is, she ran a great race. When God went into his garden Sunday, he picked her to take her home. I know she will be missed, but always remember the good things and the good times that were shared. God has told us in his word, when we passes through the waters, He will be with us and through the rivers, they will not overflow us, when we walk through the fire, we shalt not be burned neither shall the flame kindle upon us. So let not your heart be trouble, if you must cry than that is what you need to do. God will see you through, in time, God soothes, and heals all wounds.

“ My condolences go out the the Chapmn family. May God be with you during this trying and testing time. Mother Chapman will be sorely missed. She was definitely a giving, caring, open, and honest individual. She always was to the point and blunt regarding her devotion and dedication towsrd the Lord. She has made a great impact on my life every since I became acquainted with her when I was in the second grade. She always referred to me as her "Son" and always opened her heart and home to me and many others. Rest in peace Mother. There will never be another you. To the family, God Bless You be encouraged. She is gone home to recieve her reward...
