“ To the Morris Family,

*Our families have known each other for years because we grew up in the same neighborhood when it was no big deal for "anyone's mother" to tell you what to do. Most people had the same values and the same hopes and dreams for their children. I was blessed to return to the neighborhood with my children and your mother was working at Morley School. She was yet being that voice in the village helping to care for many children. Your Mother was a great woman and will be missed by all who knew her. My prayers are with you and your family.*

*May God bless and comfort you at this difficult time.*
