“ My heart absolutely breaks about this news. I had the pleasure of knowing Ms Myrra at Healthsource. Myrra always cracked me coming down to our unit on Wheels to visit. She has numerous friends on Wheels but always stayed in Ms Linda room the most. The jokes and the things I confided in these two ladies about will forever be kept between the 3 of us. Myrra was truly my grandmother and even though I never worked on her unit, just knowing I was going to see her at LEAST once between the unit and the cafeteria where she always bought things for me was the best. Prayers for the family most definitely!
